1954

Mr. Collins -  
I can really say that  
I am going to miss Lick and  
everyone here. It sure has been  
fun here these 4 years. I really have  
enjoyed working this year. Good luck always.

Sincerely,  
Betty Widdams

Mrs. Collins,

Well, its time for me to say  
good-bye to James Lick, and like  
you said at the beginning of the  
year, I'd like to see the Old Day Home.

I would not have enjoyed Lick  
so much, without having a wonderful  
teacher like you. Thanks a million  
times over for all the advice and  
understanding. I have appreciated  
every bit of it. I hope you will  
remember me. The class of '54, once  
in awhile. I'm going to miss your  
classes, you, and Lick just as much  
as every other member of the class.

May you always have success  
and happiness.

Always

Thelma Rachel

*The 1954 Argus is dedicated to Superintendent Thomas P. Ryan. Though James Lick High School is only four years old, the idea originated and developed many years before in the thoughts and hopes of Mr. Ryan. His inspiring initiative, endless energy, and deep selfless interest in the welfare of the people of this area are foundation stones of James Lick High School.*

## *Seniors*

*Four years have slipped by, leaving in their wake the first freshman class transformed into mighty seniors. Although this cycle will be repeated many times in the future, never again will a graduating class have the privilege to say that they were the first to complete all four years of high school at James Lick.*

*At James Lick High School, one can see many fine examples of what the Board of Trustees has done for us — the first senior class to complete four full years at James Lick High School. These four years will be happy, lasting memories to each one of us.*

*In the years to come we shall look back and remember, with gratitude and appreciation, all the opportunities given to us to make us better citizens.*
